How It Works

1

We Set You Up

You get order forms — printed & digital. No inventory to buy, no risk. Pick your 2-3 week sale window.

2

Families Sell

Supporters buy premium sauces & seasonings people actually want. Collect orders & payment as you go.

3

We Deliver & You Keep **33-40%**

We deliver everything sorted by student. Your org keeps its share — no chasing, no hassle.

7 SAUCES · 4 SEASONINGS · MILD TO HOT · EVERY BOTTLE A SAUCE, GLAZE & MARINADE IN ONE

Why families say yes: This isn't another candy bar or wrapping paper. It's premium BBQ sauce and seasoning from a Black-owned, Chicago-based family brand — real food people reorder, built on three generations of recipes from Marion, Arkansas. Your supporters get something they'll genuinely use, and your program keeps 2-3× what the old catalogs paid. Everybody wins at the table.
